

Ming Court

The Perfect Wedding Banquet

Your Wedding Banquet begins with a glass of sparkling champagne which is served to your guests upon arrival. You can also select to have champagne served after your guests are seated which makes for a wonderful Bride & Groom welcome or toast.

Your banquet tables will be set with your choice of white or gold lame table cloths and each table is decorated with real rose petals, a floral centerpiece, and custom menu place cards with the name of the Bride & Groom (and date), placed at each setting.

During your banquet, adults will be offered their choice of Ming Court's Private Selection Chardonnay or Merlot wines, and children may order assorted sodas or juices. Other drinks such as iced tea, coffee, and hot Oriental tea will also be served as desired by your guests.

To commemorate your special occasion, your banquet includes a freshly made wedding cake and you can select from several delicious kinds.

Welcome Champagne, Wine Service, Table Decorations, Floral Centerpieces, Wedding Cake, Menu Cards, Welcome Desk, and Gift Table are all included with your selection of a sensational Wedding Banquet menu.
